Accessing Resources

The Resources tool is where your lecturers will choose to upload all your resources, such as videos, PowerPoints or PDFs.

Step 1

Navigate to your site

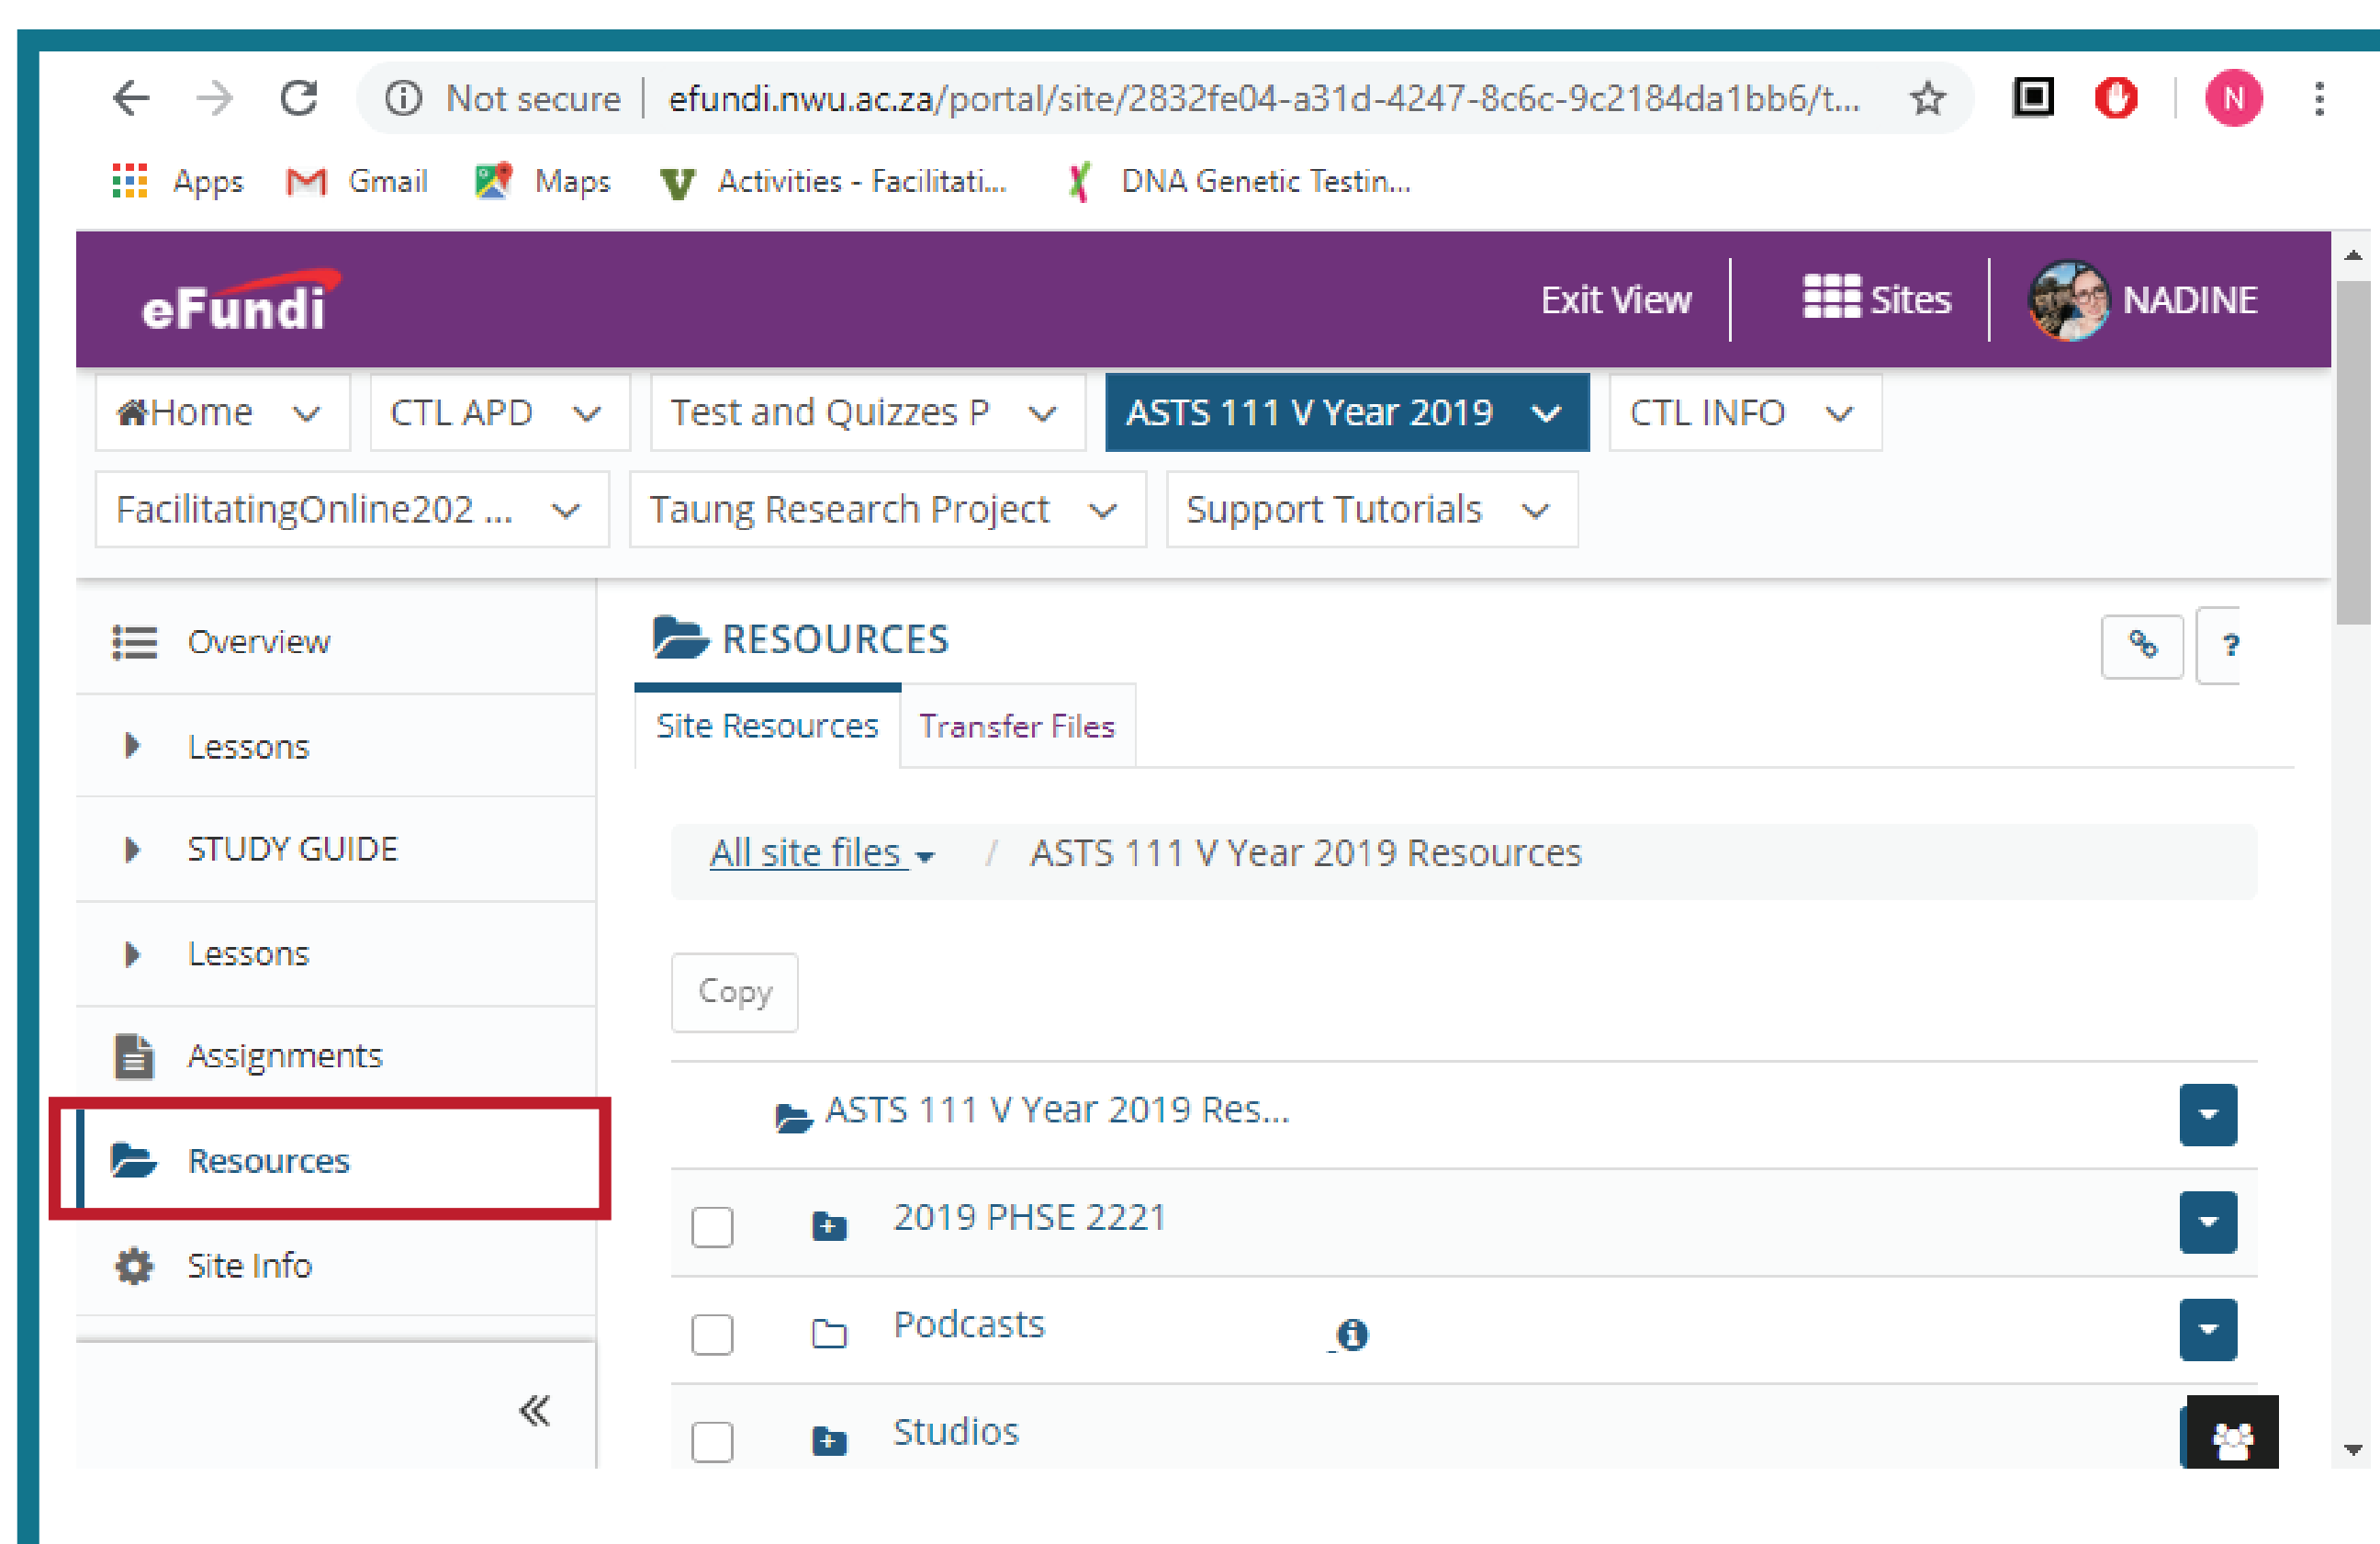

ASTS 111 V Year 2019 ▼

From the dropdown arrow you can also choose the Resources tool

Step 2

Navigate to the Resources tool on the left

Click on the title of a folder to access it and on the title of a file to either open or download it
